4. Woman carrying gourd water container and a basket of freshly peeled sweet manioc roots (Río Sepa, 1956–57).

[412]

5. Woman chopping up sweet manioc prior to boiling it as the first step in making beer (Río Cusuimi, 1956–57).

6. Stirring the boiled manioc with a wooden paddle. This is done in conjunction with mastication to prepare the mush for fermentation (Río Sepa, 1956–57).
